

Improving civil society environment:

Sharing expertis & building solidarity

Civic Space Watch

Monitoring and sharing resources on Civic Space in Europe

[Our mission](#)[Explore](#)[Take action](#)

Main goals:

1. Providing easy access to already existing but often dispersed resources;
2. Improving the sharing of information among civil society actors and between civil society and institutions;
3. Encouraging demonstration of solidarity to grassroots activists and CSOs in need.

MONITOR
TRACKING CIVIC SPACE

Responding to shrinking civic space: lessons learned

- Monitoring and reporting
- Fact-based advocacy
- Coordinated response and solidarity
- Coalition building: beyond organised civil society?
- Ensuring transparency and accountability
- Story-telling
