The Mobility Fund responds to the need for more mobility and connectivity among CSOs experts from the Black Sea Region countries. According to the feedback provided by participants in the evaluation forms of the [annual Black Sea NGO Forum editions](#) and in the [Black Sea NGO Forum Report - A Decade On: Evaluation, Impact and Perspectives \(2012-2016\)](#), the exchange of knowledge, expertise and best practices is essential for the Forum to reach its full potential of consolidating regional cooperation among civil society at the Black Sea.

The [Black Sea NGO Forum](#) is a regional initiative organised since 2008 within the framework of the Black Sea Synergy by the [Romanian NGDO Platform – FOND](#), with the purpose of consolidating regional cooperation and fostering the sustainable development of the Black Sea Region.

The Black Sea NGO Forum aims to create an open space for debate, mutual knowledge and understanding, communication and cooperation among civil society representatives, governments, international organizations and donors active in the Black Sea region, with a focus on sharing good practices in various domains and success stories of regional cooperation. In its 11 editions, the Forum has reunited over 1,100 participants from Armenia, Azerbaijan, Belarus, Bulgaria, Georgia, Greece, Republic of Moldova, Romania, Russia, Turkey and Ukraine, as well as other countries.

In January 2019, FOND has started a three-year project funded by the European Union [„Building CSO Capacity for Regional Cooperation within the Black Sea Region”](#), aiming at developing the Forum into a mechanism of support for CSOs in the Black Sea Region by providing capacity building opportunities and support for the creation of joint partnerships, projects, networks and initiatives of CSOs in this region.

This activity is part of the project „Building CSO Capacity for Regional Cooperation within the Black Sea Region”, implemented by the Romanian NGDO Platform – FOND and funded by the European Union for the next three years, for the period January 2019 – December 2021.
