The 12th edition of the Black Sea NGO Forum  
23rd – 25th of October 2019, Istanbul, Turkey

World-café: CSO – Donor Dialogues (25th of October, 09:00 – 11:00)

DAY III : 25th of October

9:00 - 11:00 CSO – Donor Dialogues (world-café method)

Objective:
✔ Fostering the dialogue between CSOs and donors active in the Black Sea Region, with a two-fold purpose: for CSOs to learn about funding opportunities available for civil society in the region and for donors to meet their potential grantees and learn about the needs on the ground.

The world café is a method of active dialogue, information exchange and consultation which has been included in the Agenda of the Forum in the past few years, receiving very positive feedback from participants.

How will the donors’ café be organized?

The participants will be split in groups of 15-20 people, each group discussing the engagement and support provided to NGOs by a donor in the Black Sea region.

For more information regarding the list of donors, please consult our draft agenda.

At each table/group, the representative on behalf of the donor represents “the host” who will guide the discussions.

After a first round of talks of 20-25 minutes, the participants are invited to move to different groups, while the hosts remain at the initial place throughout the Donors’ café.

During one round, the donor representatives will briefly present their funding programs and opportunities available for NGOs in the Black Sea region and answers the questions of the participants, thus enabling an interactive dialogue between the two parts.
